₹301,100.00

Hall

Air Conditioner

AIR CONDITIONER

Daikin Daikin AC 1.5 Ton - Inverter - 3 Star - Split AC - FTKC50 - FTKC50UV16V and RKC50UV16V - Copper Condenser

₹39,000 ~~₹48,750~~ **Save ₹9,750**

1. Energy-efficient for medium rooms, typically bedrooms in the range of 130 to 180 square feet consumes 966 units per year.
2. Coanda airflow gives even cooling across every corner.
3. Cooling Capacity of 5,000 Watts provides airflow of 16.2 CMM (cubic metre per minute) to keep the room cool.
4. Power Chill mode cools 20% faster providing instant relief from the heat. Econo mode reduces the power consumption.
5. The PM 2.5 filter keeps indoor air cleaner and healthier.
6. Stabiliser Inside technology regulates across a wide range of fluctuation (130 Volts to 285 Volts). Saves the additional cost of the stabiliser. The room looks aesthetic without the bulky stabiliser and the unorganised wire.
7. Warranty: 1 year for Product, 5 years for Printed Circuit Board and 10 years for compressor gives peace of mind.
8. Cools even at 54°C
9. Ant-corrosion treatment is provided for the outdoor copper coils. The indoor unit has an anti-corrosive coating active agent which has Self Healing properties that activates upon chipping, scratches due to environmental or chemical pollution.
10. Dew Clean Technology auto-cleans the indoor heat exchanger unit, getting rid of bacteria, moulds, etc., ensuring odour-free, fresh and consistent cool air flow.

Ceiling Fan

CEILING FAN

Superfan Superfan Super X1 High Speed BLDC Ceiling Fan with 5 Years Warranty - 120 cm (48 inches) - Brown

₹3,500 ~~₹4,375~~ Save ₹875

1. Good air delivery of 230 CMM (cubic metre per minute) to give the right comfort for a good sleep. Highly recommended for those who prefer performance at minimum budget.
2. 5-Star energy rated; 35 Watts per Hour. 65% Power saving which would be up to ₹1,500 per year.
3. 5 years warranty. Highest in the market.
4. Brown colour has less maintenance because accumulated dust is less visible.
5. Remote control for convenience.
6. Power Factor is greater than 0.99 which means less loss of power which is good for the country.

Kitchen

Water Purifier

WATER PURIFIER

AO Smith AO Smith ProPlanet P4 Pro 5 Litres RO Water Purifier With 8-Stage RO plus SCMT and UV Purification

₹19,800 ~~₹24,750~~ Save ₹4,950

1. 100% RO water since all the water is passed through the RO membrane unlike other brands.
2. Delivers "Baby-Safe" water with full-spectrum contaminant removal and UV freshness using 8-Stage RO + SCMT + UV purification.
3. SCMT (Silver Charged Membrane Technology) removes Virus, Bacteria, Cysts, Particulates, Endotoxins, Colloids, Chemicals and Phosphates.
4. All time fresh water with in-tank UV purification.
5. Adds essential minerals and copper for taste and health.
6. India's first 5 star rated water purifier which saves 2X water using ART™MAX Water Saving Technology. This is good for you and our Earth.

Exhaust Fan

Better ventilation

EXHAUST FAN

Atomberg Atomberg Efficio 150mm BLDC motor Energy Saving Exhaust Fan

₹1,350 ~~₹1,687~~ Save ₹337

1. Good air suction of 360 CMH with a speed of 2000 RPM.
2. Back flaps prevent insects from entering the home.
3. Low noise.
4. The BLDC motor consumes 65% less electricity but it is not too impactful since exhaust fans are not used for a longer time in the bathroom.
5. Fits square cut out of 175 MM X 175 MM.
6. 1 year warranty. + 1 year when registered on Atomberg's website.

Dishwasher

DISHWASHER

Bosch Bosch Free-Standing Dishwasher 14 Place Settings – Series 6 – 60 Cm – SMS6IKI01I– Brushed steel anti-fingerprint

₹53,500 ~~₹66,875~~ **Save ₹13,375**

1. 14-place setting is designed to accommodate a large number of dishes, Typically the dishes used through out the day.
2. Silent (48 decibel), energy-saving cleaning with the EcoSilence Drive (motor).
3. Home Connect allows to start washes, check status, and get alerts via voice or app.
4. 10-year inner tub warranty.
5. The premium brushed and fingerprint-free stainless steel finish resists smudges and maintains sleek appeal.

Cooktop

COOKTOP

Faber Faber 3 Burner Cooktop Spark 3BB BK – 77 CM

₹4,600 ~~₹5,750~~ Save ₹1,150

1. Equipped with three brass burners (1 jumbo, 1 medium, and 1 small) for various cooking needs and uniform heat distribution.
2. 6 MM toughened black glass top for durability and scratch resistance. It looks sleek too.
3. Stainless steel drip trays simplify cleanup by catching spills.
4. The powder-coated round pan supports provide sturdy stability for different cookware sizes and resist chipping and rusting.

Chimney

CHIMNEY

Faber Faber Hood Sunny IN HC SC FL LG 60 Auto Clean Filterless Chimney

₹15,300 ~~₹19,125~~ **Save ₹3,825**

1. 1200 m³/hr suction power
2. Filterless design.
